From the Md Commnr Bangr, thro DO No AS 564/38 Dt 22-8-38

Recommends that the monthly Conveyance allowance granted to the present President of the Mdg, may be increased from Rs 150 to Rs 200/- during the period he is in office

1 The resolution of the Md Cl is to give the increased Conveyance allowance to the present Odt, so long as he remains in office as Odt.

2 The Budget Estimates of the Mdg for the year 38 39 have not yet been received

3 Submitted for orders

26/8/38 for Secy to Govt

4) The recommendations seem to be personal to the present incumbents of the two Presidents - The reasons urged in the memorandum are (1) that the present President is working whole heartedly & (2) that he is spending more money than he gets as Conveyance Allce These considerations perhaps cannot apply to previous and future incumbents also -

5) The Md Comnr & his Engr are on

SUBJECT NO (Deferred No 7 -)

Mr P M Rama Sarma to move -

"That the monthly allowance granted to the present President of this Council be raised to Rs 200/- for the period he is in Office and an allowance of Rs 50/- to be given to the present Vice President till she holds Office "

As the proposition affected the allowance of the President, he vacated the Chair Mr B L Byanna proposed and Mr D Venkataramanappa seconded that Mr B Abdur Rahmon do occupy the chair and this was -- accepted by all

Mr P M Ramasarma moving the proposition, said that it was not the sum that was of importance, but the principle involved in it He said that the President was spending more than the present allowance for conveyance charges and said that it was but right that higher amount should be given by the Municipality, since the present President -

was working wholeheartedly He also suggested that the excess propos may be met from the closing balance He also said that the Vice - President should be paid this allowance as she was going about for inspection etc

Mr R Venkataswamy seconding the above said that it was well known how energetically and honestly the President was working for th Municipality and that after all it was not a great boon they were con ferring on him if they granted the allowance to him as God had given him enough and to spare

Mr W H Hanumanthappa moving an amendment said that the work "till she holds Office" be deleted and in their place the words "her predecessor in Office" be inserted

At this stage, the President said that it would facilitate - matters if the proposition was cut into two portions, one portion relating to the allowance to the President and the other to the Vice-President

This was accepted by the House

Mr W H Hanumanthappa opposing the enhancement of allowance to the President said that it would be setting a bad precedent, ~~relating to the allowance to the President and the other to the Vice~~ if they increased the allowance and further the finances of the Municipality did not permit of this enhancement

Messrs B L Byanna and D Venkataramanappa supported Mr W H Hanumanthappa in opposing the proposition on the ground that the President himself would not agree to this

At this stage Mr W H Hanumamthappa proposed that it may be deferred as there was some difference of opinion and this was seconded by Mr B L Byanna

Messrs P M Ramasarma and Mr M R Narasimha Iyengar opposed the deferring motion

Then it was put to vote and lost, 3 voting for and 5 against

Then the original proposition was put to vote and carried 6 voting for and one against.
